

This listing of claims will replace all prior versions, and listings, of claims in the application.

LISTING OF CLAIMS:

Claim 1 (Cancelled).

Claim 2 (Cancelled).

Claims 3-7 (Cancelled).

Claim 8 (Cancelled).

Claims 9-13 (Cancelled).

Claim 14 (Cancelled).

Claims 15-18 (Cancelled).

Claim 19 (Cancelled).

20. (Currently Amended) ~~A method according to Claim 1;~~ An electronic requisition processing method, comprising the steps of:

preparing an electronic requisition form including a proposal for a requisition, wherein said proposal requires approval by each of a plurality of approvers;

establishing an electronic list of the approvers for the proposal for the requisition; and

each time one of at least some of said approvers acts on the proposal, electronically recalculating the list to change the names of the approvers on the list by, if one of the approvers has delegated approval authority to another person, substituting the name of said another person for the name of said one of the approvers; and

wherein the step of recalculating the list of the approvers includes the steps of:

one of the approvers delegating approval authority at a first time to a delegate An electronic requisition processing method,

changing the name of the approver on said list from said one of the approvers to said delegate;

said one of the approvers resuming approval authority at a later time; and

pulling the name of said one of the approvers back onto the list at said later time.

21. (Currently Amended) ~~A method according to Claim 1,~~ An electronic requisition processing method, comprising the steps of:

preparing an electronic requisition form including a proposal for a requisition, wherein said proposal requires approval by each of a plurality of approvers;

establishing an electronic list of the approvers for the proposal for the requisition; and

each time one of at least some of said approvers acts on the proposal, electronically recalculating the list to change the names of the approvers on the list by, if one of the approvers has delegated approval authority to another person, substituting the name of said another person for the name of said one of the approvers; and

wherein the recalculating includes the steps of, each time one of the approvers acts on the proposal, then for each of the approvers who have not yet acted on the proposal, determining if said each approver has delegated approval authority to another person, and comprising the further steps of:

some of the approvers editing properties of requisition;

a user canceling the requisition; and

in response to said canceling, sending an email to all of the approvers informing said all of the approvers that the requisition has been cancelled.
